CENTER RING: Stars

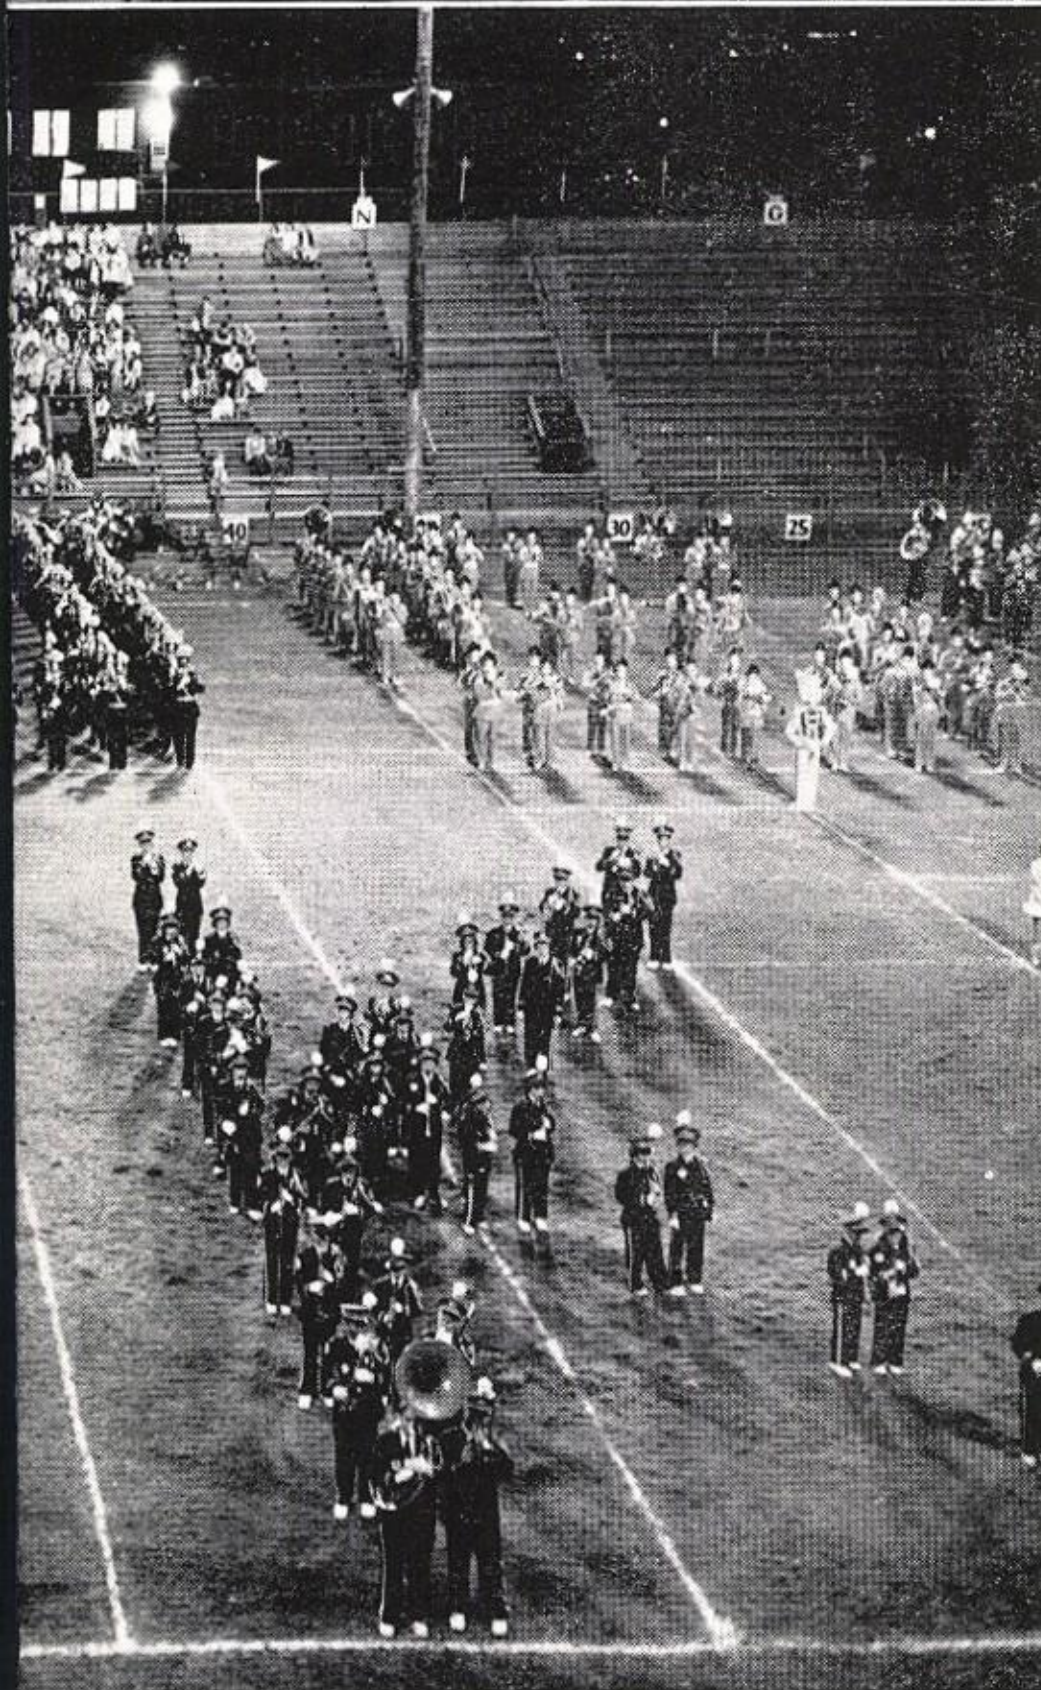

For the seventh time the Highland Park highlight of music was the Highlander Music Festival. From Texas, Oklahoma, and Louisiana came representative orchestras, bands, and choruses as they participated in workshops, clinics, concerts, and rehearsals. An appreciation of America and her ideals in the pageant, **OUR AMERICAN HERITAGE**

was dramatically presented by Highland students in the stadium. At this time, Queen Jeanne of the House of Davis, chosen by the student body, was crowned by Dr. W. B. Irvin, our superintendent.

By a vote of the students, four boys and four girls were elected the school favorites. Some of the nominees are shown on the preced-

From the court of Louis XIII and the pen of Alexander Dumas

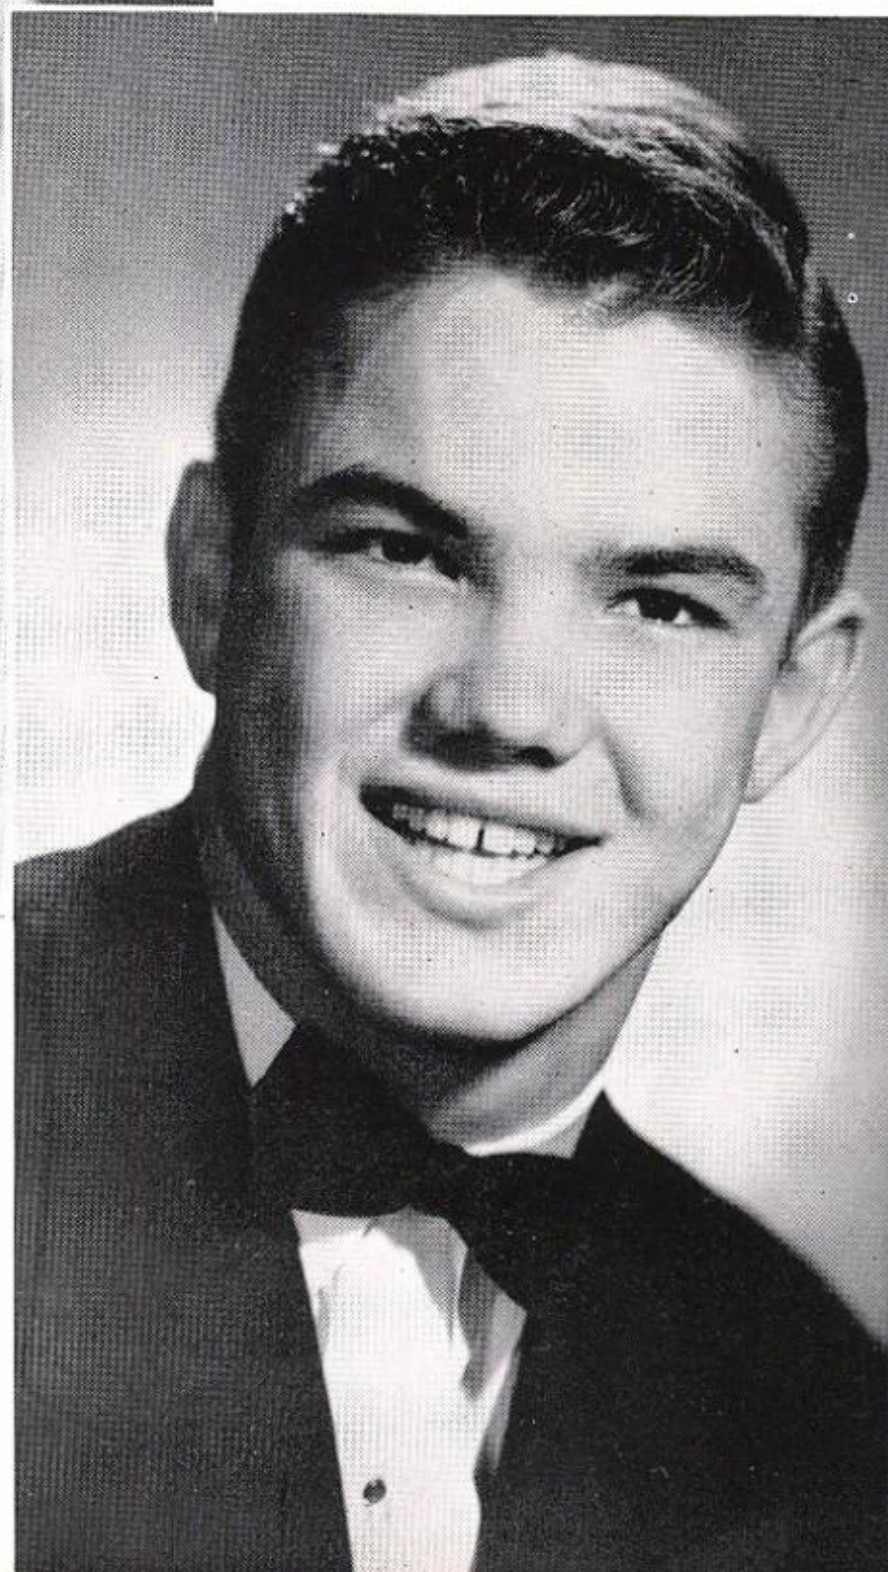

comes the brilliant operetta, **THE THREE MUSKETTERS** with music by Frimil. It was presented to a thrilled and applauding audience on April 24 and 25. With Charles Lloyd in the role of D'Artagnan and Phyllis Stewart as Constance, the production was most successful.

STUDENT COUNCIL

As a connecting link between the student body and the faculty, the Student Council helps to promote a spirit of cooperation and friendliness. Among the many activities are the encouragement of school spirit by the dances after home football games, football ribbons, and friendship teams; the publishing of the school directory, "The Clan". Annual school elections are sponsored by the Council. For three years, the Student Council has supported two French war orphans.

NATIONAL HONOR SOCIETY

One of the highest goals of accomplishments for the students of Highland Park is membership in the National Honor Society. To be a member of this group, one must be outstanding in leadership, scholarship, character, and service, a member of H11, L12, and H12 classes only, and must have a scholastic average of at least two and one half grade points. Approximately 3% of the H11 class, 7% of the L12 class and 15% of the H12 class are selected by the teachers to become members of this organization. Members of the NHS serve as ushers at the senior play and commencement exercises. One of the most coveted honors a senior can receive is the "H" blanket which is awarded to the boy and girl who is outstanding in scholarship, leadership, character, and service.

HI-LITES

An organization of all girls in Highland Park High and girls only is the Hi-Lites. This large club has a variety of service from helping the new girls to become better acquainted to Red Cross work. Members of the club volunteer to serve on committees which are directed by the vice-presidents. All the sophomores are aided in getting better acquainted with the older members through the Friendship Committee. Through the Welfare and Red Cross Committees the club takes care of children at the Mexican Mission, makes favors and decorations for the hospitals, and sponsors a rural school for the Save the Children Federation. Dances and parties during the year are planned by the Social Committee. Programs of the meetings every Tuesday are in charge of the Program Committee while information of these and other activities are the duties of the Publicity Committee.

Youth and Government representatives are Duke Underwood, Governor Walter Wink, Willis Tate, Henry Jacoby, Joe Browning, and Kent Beasley.

Under the leadership of their officers and helpful sponsors, Mr. Ruddell and Mr. Harkey, the Hi-Y maintains this motto: "To create and maintain through the school and community, higher standards of Christian character." This club, a branch of the Y.M.C.A., was created thirty one years ago by the Highland Park High School and the Hi-Y student members. The Hi-Y meets every Monday to bring its members a thirty-minute program, which ranges from entertainment skits to religious programs. Once a year the Hi-Y and Hi-Lites co-sponsor a "Religious Focus Week" for the whole school. The Hi-Y also does welfare work with the Red Cross. Their social activities include a dance given in the fall and spring for members and their dates.

THE ROUND TABLE

The Round Table the club which gives its members an opportunity to discuss various topics in an informal and interesting manner. Sponsored by Miss Moore, this organization selects its twenty members so that no one religion, nationality, or even school classification will hold a majority; and so all views on the topic being discussed may be presented. Co-operation, willingness, and open-mindedness are stressed on the part of the members. The hour, which is spent every week in discussion of topics as extra-curricular activities and the electoral college, helps the members to face problems and to strive to find the answers.

DRAMATICS CLUB

An outlet for aspiring Thespians of the school is the Dramatics Club. Membership is limited to thirty active ones who are selected in bi-annual tryouts before the executive board. To retain membership, a student must participate in at least one play each semester as actor, director, or member of the production staff. The club gives several assemblies a year. The most important of these is the Christmas play in which they are assisted by the music and art departments. Each semester the club gives an evening of one-act plays for an invited audience. All the members are responsible for writing and producing the assembly which announces the Highlander Music Festival Queen. Membership is open to anyone interested in the field of theatrical arts.

The Travel Club does not neglect those here at home; it sponsors a group of Y-Teens of another school. At Christmas time a party is given, and there is a gift for each girl.

JUNIOR HISTORICAL SOCIETY

Junior Historical Society is the club of Highland Park which devotes its time in learning more about Dallas, Dallas County, and Texas; its historical homes and monuments, history, leaders, and customs. Each year representatives are sent to the annual meeting of the Texas Historical Society in Austin. Several members have had their articles published in the society's official publication, "The Junior Historian". This year the club will continue its social service project of caring for a needy family.

ORCHESTRA

Ambition was the key note of the orchestra activities this year. Included in the ever popular school performances were assemblies, graduation exercises and the operetta. Appearances outside of our school were concerts at the State Fair, a teachers national convention, radio shows, and civic clubs. In February several representatives went to Galveston where they shared three days work and play with highly selected musicians from the entire state. The highlight for the orchestra performers came this spring when they participated in the Highland Park Music Festival, *Our American Heritage*. All work and no play is not the complete schedule, for three times a year the group enjoys itself with a barbecue, banquet, and a picnic in honor of the senior members.

LADS AND LASSIES

Almost no other organization in our school is enjoyed quite as much by the entire student body as the Lads and Lassies under the direction of Miss Flora Lee Pope. Throughout the year the vocalists entertain us with wonderful music, sometimes sacred and sometimes popular. The highlights of their choral work this year included the production of their operetta "The Three Musketeers," and their help with the Highlander Music Festival. But you must not think that singing for the students is their only job, for they entertain many civic organizations and church groups throughout the city. The fun they have at their social functions, however, makes up for all the hard work they do. They have a fall banquet, an out of town trip, and a picnic in the spring.

Three lassies and a lad are officers: John Taylor, President; Jackie Phillips, Vice-President; Eleanor Walker, Secretary; Itha Mae Willis, Treasurer.

SCOTS BURY ADAMSON 25-0

Hi Park opened its '52 campaign with a smashing victory over Adamson. Berke and Beasley accounted for the ground work while overhead, Norton connected with passes to Rogers and Manfield for T D's. Faulk and Adams each scampered to pay dirt on runs of nineteen and thirty-nine yards, respectively.

Mansfield gains yardage once more.

Bill Adams crashes over as everyone gets in the picture.

BLUE AND GOLD RUN OVER PASCHAL 33-7

Showing a powerful running attack, the Golden Avalanche had little difficulty in tripping Paschal. Berke's running and Norton's passing led the way to Hi Park's second straight win. The tough Scot forward wall led by Asel, Keller, David, Rogers, and Carmichael held the Panthers to eighteen yards on the ground.

PLAIDSMEN ALMOST UPSET STATE CHAMPS 33-20

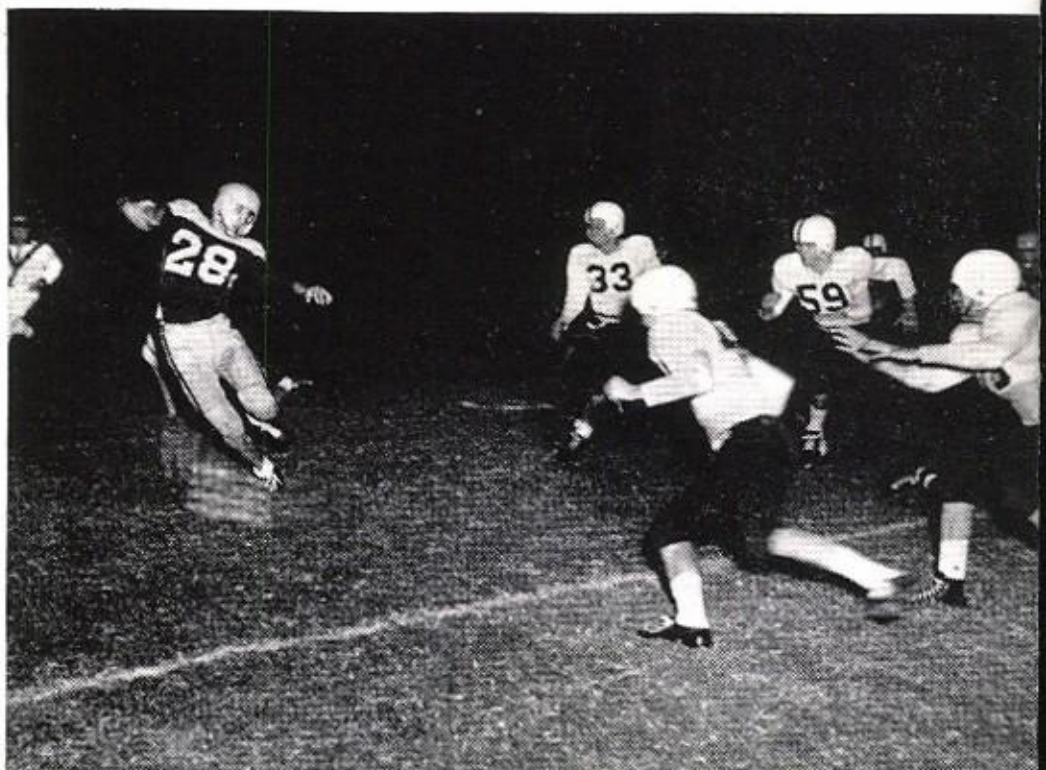

Although heavy underdogs, the Scots almost upset Lubbock, the 1951 state champs. Hi Park outgained the Westerners on the ground and in the air, but lost in the last few minutes. Norton's passes to Francis and Ballard almost did the trick. Keller, Carmichael, Robertson, and Reynolds played great ball during the game.

"Not just yet" as Johnny Berke eludes tackler.

CLANSMEN BOWL OVER BULLDOGS 27-0

With a great offensive and defensive play the Scots liquidated the North Dallas Bulldogs, both city champs and state semi-finalists. Berke's 74 yard touchdown run was one of the standout points in the game. The defensive play of Carmichael, Aldridge, KKeller, Asel, and Rodgers held the Bulldogs scoreless. Mansfield, Reylolds, and Beasley all did fine running for the Scots.

"Whoa thar boys" as four Lubbock tacklers converge on George Reynolds.

AVALANCHE NOSES OUT ARLINGTON HEIGHTS 6-0

Norton's pass to ReRynolds in the first quarter proved to be the difference between victory and defeat as the Scots conquered Arlington Heights. Mansfield, Berke, and Beasley turned in yeomen duty offensively while defensively Carmichael, Keller, Sparrow, Asel, and Rodgers held the Yellow Jackets scoreless.

"Ya gotta go down sometime!"

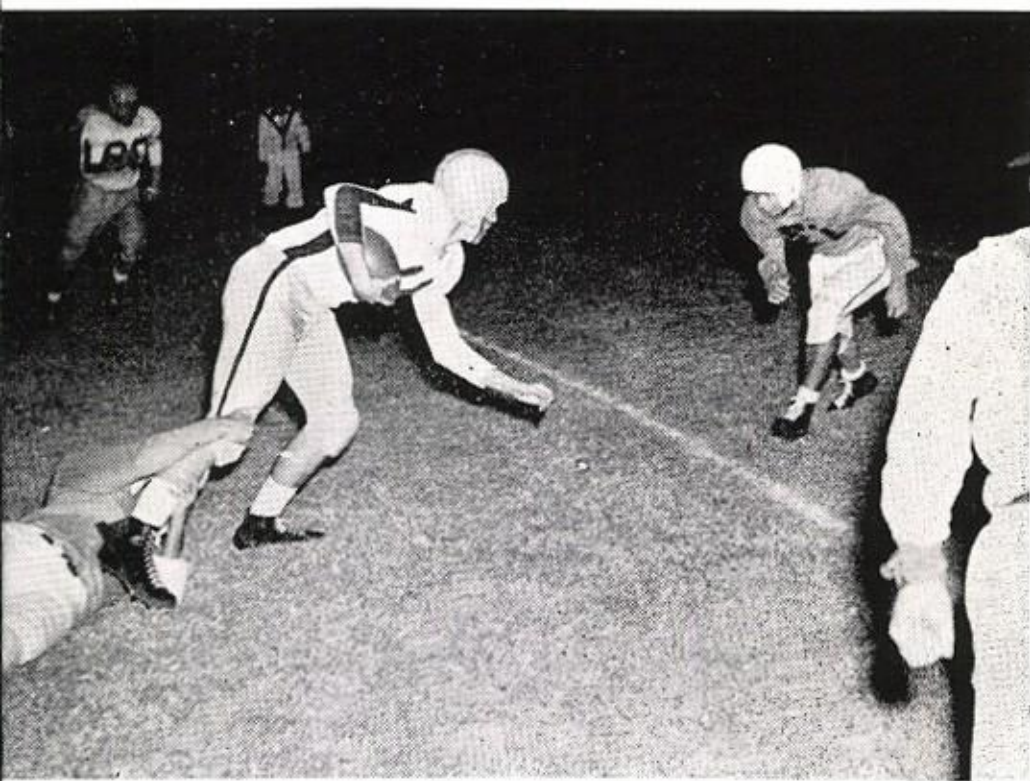

"Ready for the take-off" as Waco attempts to bring Reynolds down.

SCOTS UPSET BY TYLER 21-14

Even though they were trailing at the end of the half, the Scots almost came up to win, but not quite. Norton threw touchdown strikes to Mansfield and there might have been another touchdown if the ball had not been too hot to handle. Willis made both of his conversions good.

"Never say die", thinks James Faulk as he carries a North Dallas tackler for an extra yard or two.

AN INTERCEPTED PASS BEATS BLUE AND GOLD 13-7

In the fourth quarter the Scots were defeated by an intercepted pass. This loss dropped the Avalanche out of the title chase. Hi Park's only touchdown came after Norton tossed a strike to Mansfield on the five, and then Berke crashed over for the score. The Scots outplayed Waco on the ground and in the air, but not on the scoreboard.

"Now, just a second here."

HIGHLANDERS TAKE REVENGE ON TEXARKANA 20-0

Remembering last year's defeat, the Blue and Gold more than made up for it by trouncing Texarkana. Touchdown passes to Mansfield and Faulk from Norton started the scoring. Beasley and Berke did a great job of carrying the ball. For the fourth time of the season the great defensive strength of the Scots led by Carmichael, Roberts, Keller, Aldridge, and True held their opponents scoreless.

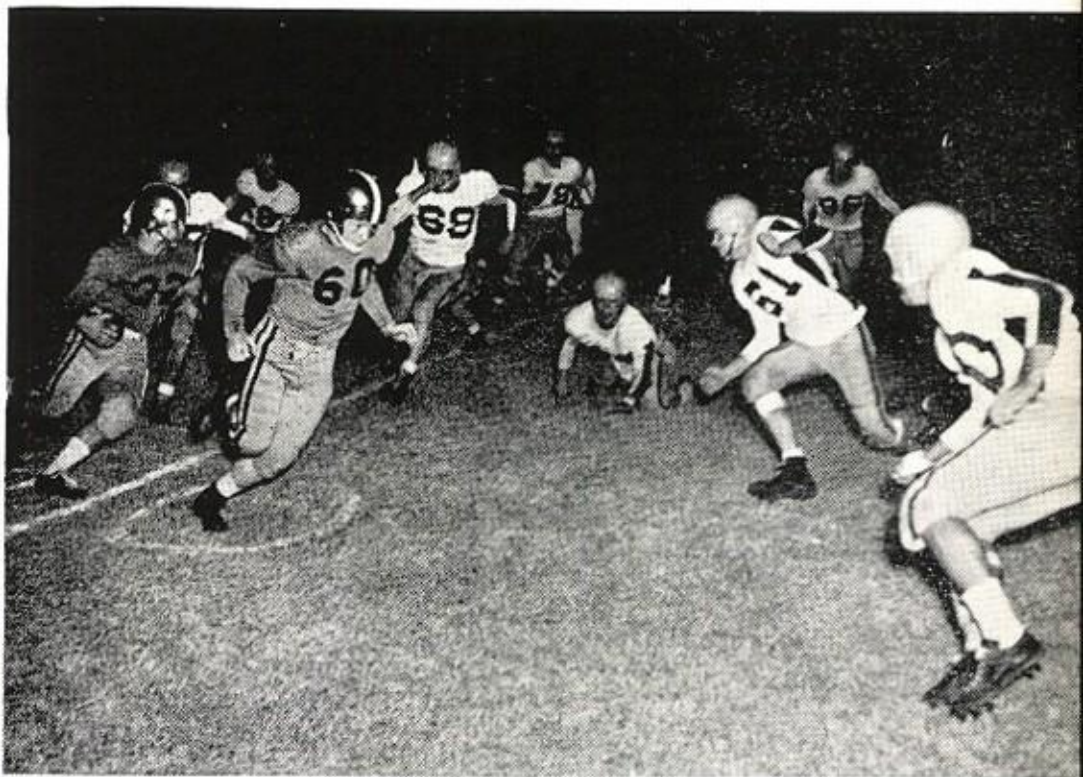

"I've heard about these spots" as Sherman converges on Mansfield.

HI PARK ROLLS OVER SHERMAN 35-7

After exploding for three first quarter touchdowns the Avalanche went on to smother Sherman. Mansfield's two touchdowns and all around great performance led the way. Francis, Reynolds, and Faulk also contributed six pointers to the cause. Defensive plays led by Asel, Keller, True Roberts, and Carmichael held the Bearcats in check throughout the game. The five straight points after touchdowns were booted by Willis.

Carmichael gets ready to chalk up another tackle to his credit.

JINX HOLDS AGAIN: SCOTS FALL 28-0

Playing last year's state champs and a team that held a 9-0 record this year, the Scots fell before Wichita Falls. The Golden Avalanche could not get started against the Coyotes' strong defense, but they more than made up for this in their true Scot fighting spirit. Berke, Mansfield, Miller, Asel, Carmichael, True, and Keller and the entire Blue and Gold team played a great game of ball just as they had all year.

Basketball

Highland Park's Scots opened their 1952-'53 season against last year's state quadruple A champs, Polytechnic of Fort Worth. Only in the last quarter did Poly pull ahead of the Scots. Next Hi-Park cagers journeyed down to the Bryan Tournament where they lost in the consolation finals to Alice by two points. By the time district play started the Blue and Gold had an eight won and eight lost record having played exceptionally good teams all the way. Led on by the deadly shooting of All-District Tom Delaney, who was 5AAAA's leading scorer, and All-District Bill Ballard, whose backboard control and fine playing was unbeatable, the Golden Avalanche took second place in the district. Johnny Apple's all around playing was a vital factor as well as the constant help and great defensive work of Bob Sparrow and Smithy Keller. The sixth starter, Bill Gribble, gave much support also. Meanwhile the reserves, the ones who practice day in and day out with the starters — always necessary for a championship team, were led by Wade Smith, Joe Liedolf and David Dunn. Our hats are off to Coach Binnion, the man who made it all possible — the man who continually gave help and instruction to the Scots every afternoon as well as during the games. Without his patience and understanding the season could not have been the success that it surely was.

Left to right: Smithy Keller, Bill Gribble, Bill Ballard, Coach Binnion, Johnny Apple, Tom DuLaney, Bob Sparrow.

Girls' Sports

Step right up, ladies and gentlemen, step right up and you shall see a series of star performances that are most stupendous! It is put on by the most skillfully trained girls in the world. Behold! The curtain is opening. You now witness a spectacular game of volleyball. Serve! Point! Foot fault! Side out! Don't crowd. Don't crowd. There's plenty of room for everybody to see. The score is now 28-28. The little lady on the front row now spikes the ball, and the game is won. Now I ask you people — was that not sensational?

Quiet! Quiet! I know you are overwhelmed, but just wait — the second act is utterly astounding! What a basketball game! Observe the player's ability in manipulating the ball. Look at that gal dribble! A field goal — two points! Foul — a free shot! One more point. The game is nearly over — 5 seconds-4-3-2-and just as the whistle blows the ball sinks in the basket and team two wins. Magnificent! Astounding! Fabulous!

And now, ladies and gentlemen, the moment you have been awaiting. You are to marvel at an incredible game of softball. Never before in history has anyone had such

good fortune to witness such an extraordinary performance! The game is begun. Ball one! Strike one! And she slams that ball out to the left field. I tell you, good people, these girls are in top condition. Each day they receive expert attention and advice from their excellent instructors, Misses Watson and Murchison. It's the last of the ninth inning, folks, with the score 4-1. Bases are loaded, and the count's 3 and 2. The players seem to be rather nervous as they await the pitch. The ball leaves the pitcher's hand. Crack! And it's going, going — gone! A home run, folks, a home run! What did you say, little boy? Why do these teams have such great spirit and vivaciousness? Why, son, they are the world famous Highland Park High School teams! Yes indeed, ladies and gentlemen, Highland Park teams have a spirit that has never been equalled. All through the year you have the privilege of watching them in these and other such sports as tenniquits, speedball, and badminton. In the fall they even perform exercises, and as a special treat, square dancing is offered in the spring. Well, folks, all good things must end sometime. Just remember that Highland Park has the best gym classes in the world!

RESERVE OFFICERS TRAINING CORPS

Our Highland Park ROTC unit is among the best of the seven Dallas units, all of which are under the command of Colonel Kirk P. Brock. Knowledge, not only in military tactics, but in training for leadership and discipline is given to the individual enrolled in the ROTC course. A significant reason for HP's preeminence in junior ROTC is the leadership of our unit. Lt. Commander Floyd Hightower directs the corps with his associate, Major Newman F. Casey, and develops an admirable regiment. Colonel Instructor, Harry F. Barton, director of the band, keeps the band boys in step with the finest ROTC traditions.

THE HIGHLANDER BAND

Here comes the Band! As one of the most versatile of all school organizations, the Highlander Band provides entertainment at the football half time shows, promotes school spirit at the pep rallies, furnishes martial rhythms for the weekly ROTC parades, and adds glamor and stirring music to various civic parades and affairs. As this was the year for the Music Festival, the band played a major part in its production. During the year the musicians present several concerts with all types of music. Emphasis is placed on the improvement of the individual bandsman. The repertoire of the group includes all types of music—from symphonic and light concert to novelties and popular swing—and thus provides a well rounded experience for all of the members.
